

## Youth Camps and Clinics Information

The Schuylkill County Youth Soccer Association (SCYSA) is dedicated to offering all of its players the best possible opportunities to develop their skills. Thus, in 1999 SCYSA has partnered with U.K. Elite Soccer to operate its annual youth soccer camps. Beginning in the summer of 2003, this will be the 4<sup>th</sup> year that this special partnership will offer their highly successful camps. This is the only camp that the county endorses for players within the county. The camps are for players age 5 to 18 from the recreational to the high school level. U.K. Elite will also conduct high school team camps or club camps at your fields upon request. Previous high school teams that have used U.K. Elite include the Minersville High School boys, Pottsville and Schuylkill Haven High School girls' teams. Pine Grove Youth Soccer has used them for their club camp during the summer of 2002.

In the summer of 2003, the county and U.K. Elite will conduct its camps at the Pottsville Youth Soccer fields on:

August 4<sup>th</sup> to the 8<sup>th</sup>

In addition, U.K. Elite also will conduct various clinics for our players and coaches upon request. Many of the county's coaching courses are conducted by U.K. Elite senior staff who are also NSCAA Associate National Staff Instructors.
