

### **Travel Program Coaching Licensing Requirements**

The County’s goal is to identify the most highly qualified coaches to implement each travel team. Each coaching applicant must meet the minimum coaching licensing requirements as established by the county (see below) as well as other factors. If you are interested in coaching at the travel level, please contact the Technical Director regarding your application and the responsibilities required for each team. The following minimum licensing requirements ***must*** be met to qualify to coach at the travel level:
